# BICENTENARY BURSARY FUND

The Border Union Bicentenary Bursary Fund was set up to commemorate the Bicentenary of the Society in 2013. Its primary function is to help and encourage people involved in any aspect of agriculture and the wider rural economy of the Borders to improve their professional knowledge by providing financial support in the form of bursaries for educational research or travel

As per the Memorandum & Articles of Association, the Society's objects are: "The promotion and advancement of agriculture and other trades, crafts and professions appropriate to rural communities with a view to developing and improving the rural economy of both sides of the Border and to encourage knowledge of the farming industry and rural affairs amongst the general public"

Bursary Funds will be awarded to individuals who reside in the Scottish Borders or North Northumberland and who, in the opinion of the Trustees, will fit the above criteria.

The Border Union Bicentenary Bursary Fund was set up to commemorate the Bicentenary of the Society in 2013. As per the Memorandum & Articles of Association, the Society's objects are: "The promotion and advancement of agriculture and other trades, crafts and professions appropriate to rural communities with a view to developing and improving the rural economy of both sides of the Border and to encourage knowledge of the farming industry and rural affairs amongst the general public"

Bursary Funds will be awarded to individuals who reside in the Scottish Borders or North Northumberland and who, in the opinion of the Trustees, will fit the above criteria.
